

## Distribution of Cystic Fibrosis

### Estimated prevalence of cystic fibrosis per 100,000 habitants

IMPORTANT NOTE: Gray represents areas where we have insufficient data. Only pay attention to the countries filled with color when trying to make sense of the pattern.

Map was remade from the scientific publication:

Lopes-Pacheco, Miquéias. "CFTR modulators: Shedding light on precision medicine for cystic fibrosis." *Frontiers in Pharmacology* 7 (2016).
